

# FREE ONE DAY RELIABILITY MAINTENANCE SEMINARS IN KANSAS CITY, MO AND ST. LOUIS, MO

**WHEN: TUESDAY JUNE 19 AND WEDNESDAY JUNE 20, 2018**

You are invited to attend a *free* informational seminar for the maintenance reliability professional interested in the latest technology for Infrared cameras, Vibration monitoring, Airborne ultrasonic, Infrared windows and Motor diagnostics equipment. These leading companies and their factory personnel, FLIR, UE Systems, G.E./Bently/ Hughes, and ALL-TEST Pro, LLC have produced and sponsored an exceptional 1 day seminar for you. Attend and learn about:

**World Leader in Infrared cameras and software**

**Vibration monitoring for process and production**

**World Leader in Airborne Ultrasonic products**

**Portable Motor Diagnostics analysis**

**AGENDA:** Presentations will begin at 830 AM through 330 PM. A complimentary buffet lunch will be provided at noon. During and at the end of the seminars there will be drawings for prizes.

REGISTRATION SEATING IS LIMITED SO REGISTER TODAY AT:
